Bible Study

in the College & Career room

Our Sunday morning starts out with homemade breakfast. During that time we catch up with each other, discuss the events of the past week, share jokes and get to know new people.

We open our Sunday school with announcements, prayer requests and praises, and sign up for upcoming events. We also introduce ourselves and talk about where we are in our academic and professional careers, so visitors and new members have an opportunity to get to know us and our group.

FUN STUFF

Throughout the semester, our group also likes to go bowling, dancing, kayaking, tubing and hiking. Besides outdoor activities, we also love to go to fine arts events @ Texas State, hang out at coffee shops and do spontaneous things.

WEDNESDAYS

8:30 pm – 10:00 pm Midweek Bible study

Wednesday night Bible study is a great time for college students and young careers to gather in their cozy college and career room, have snacks, and fellowship before getting equipped spiritually. Our studies range from short DVD series, devotionals, spiritual books & discussions to bible studies that are relevant to young people dealing with today's culture and society.

College is one of the most exciting times of a young person's life. We at First Baptist Church San Marcos would love the opportunity to meet you and help in your transition to college life, getting adjusted to a new environment and help you find a church home in any way we can. We are here to serve and would love the chance to help you get settled and plugged in.

For more information please contact **Corey Bearden, Minister to Students**, at 512-392-3377 ext. 212 or via email at cbearden@sanmarcosfbc.org. You can also check out our church website www.sanmarcosfbc.org for more information about church activities.
